

## Subchapter 4. Payments During an Evacuation

---

### 4-3. AGENCY REGULATIONS

**a. Employees in non-foreign areas.** The Office of Personnel Management regulations which appear in Book 550 of FPM Supplement 990-2 are adopted without change for use in the Department of Transportation.

**b. Employees in foreign areas.** The Department of State Standardized Regulations (Government Civilians, Foreign Areas), Chapter 600, are adopted without change for use in the Department of Transportation. Any Operating Administration which has employees in foreign areas should assure that it has ready access to the Department of State regulations.

**c. Revision of regulations.** Revisions of the Office of Personnel Management or the Department of State regulations shall be adopted as Departmental regulations upon issuance by the Office of Personnel Management or the Department of State.

**d. Requests to change regulations.** Requests to amend or supplement established Department of Transportation regulations shall be forwarded to the Departmental Office of Personnel for review and transmission to either the Office of Personnel Management or the Department of State for approval, as required. Operating Administration changes or supplements to Department of Transportation regulations must receive the required approval prior to being made effective.

**e. Authorizing officials.** The Assistant Secretary for Administration, for the Office of the Secretary, the Inspector General and Heads of Operating Administrations shall have full authority to act for their respective organizations in authorizing payments in accordance with this subchapter.
